DR. N. JYOTHI

MBBS | Registered Medical Practitioner (APMC) | General Physician

kiranjyothi5496@gmail.com | +91 9381925918, +91 9392640169 | Kuppam, Andhra Pradesh - 517425 | **APMC Reg. No:** APMC/FMR/133000

PROFILE SUMMARY

Clinically skilled and dedicated Registered Medical Practitioner (MBBS, APMC Reg. No: APMC/FMR/133000) trained at Government Medical College & Hospital, Kadapa. Completed an intensive 1-year Compulsory Rotatory Medical Internship (CRMI) across high-volume tertiary casualty, medical/surgical ICUs, labor suites, and primary health outreach centers. Experienced in acute emergency triage, trauma resuscitation (BLS/ACLS protocols), inpatient ward rounds, diagnostic evaluations, and minor surgical interventions. Possesses strong diagnostic acumen, rational drug prescribing habits, and excellent patient communication skills committed to delivering ethical, evidence-based clinical care.

EDUCATION

Bachelor of Medicine and Bachelor of Surgery (M.B.B.S.) **2018 – 2023**

Government Medical College, Kadapa | Dr. YSR University of Health Sciences, Andhra Pradesh

University Regd. No: 18M101018087 | **Aggregate Marks: 62.57% (1533 / 2450)** | Final MBBS Professional: **64.76%**

Intermediate (Bi.P.C - Biology, Physics, Chemistry) **2016 – 2018**

Board of Intermediate Education, Andhra Pradesh

Secondary School Certificate (Class X - SSC) **2016**

Board of Secondary Education, Andhra Pradesh

MEDICAL INTERNSHIP (CRMI)

Compulsory Rotatory Medical Intern **Feb 2023 – Feb 2024**

Government General Hospital (GGH) & Govt. Medical College, Kadapa (Full 365 Days Certified)

- **Casualty & Emergency Medicine:** Managed acute emergency triage and primary resuscitation for 40+ patients per shift; handled polytrauma, stroke, acute coronary syndrome (STEMI), snakebites, organophosphate poisoning, and executed BLS/ACLS protocols.
- **General Medicine & ICU:** Conducted inpatient ward rounds and ICU monitoring for critically ill patients with diabetic ketoacidosis, septic shock, pneumonia, and hepatic/renal failure; evaluated 500+ ECGs and arterial blood gas (ABG) panels.
- **General Surgery:** Assisted in 50+ major surgical procedures (laparotomies, appendectomies, hernioplasties); independently performed 120+ minor surgical procedures including wound debridement, primary suturing, and abscess incision & drainage (I&D).
- **Obstetrics & Gynaecology:** Independently conducted 70+ normal spontaneous vaginal deliveries; performed episiotomies and perineal tear repairs; assisted in 40+ Caesarean sections (LSCS) and managed high-risk antenatal/postnatal care.
- **Paediatrics & Neonatal Care:** Evaluated acute pediatric admissions (gastroenteritis, broncho-pneumonia, febrile seizures); assisted in NICU with phototherapy and preterm management; administered childhood immunizations.
- **Community Medicine & Rural Health:** Posted at Rural Health Training Centre (RHTC) and Urban Health Training Centre (UHTC); organized clinical outreach camps, non-communicable disease screening, and immunization drives.

CLINICAL EXPERIENCE

General Physician / Duty Medical Officer (DMO) **Feb 2024 – Present**

Outpatient & Emergency Clinical Practice | Andhra Pradesh

- Conducting outpatient clinical consultations, evaluating 35-45 patients daily presenting with acute infectious diseases, hypertension, diabetes mellitus, gastrointestinal disorders, and seasonal illnesses.
- Directing early stabilization for hypertensive crises, acute asthma exacerbations, glycemic emergencies, and coordinating specialist referrals.
- Prescribing rational pharmacotherapy and antibiotic regimens following Indian Council of Medical Research (ICMR) treatment guidelines.
- Performing routine bedside minor procedures including wound suturing, laceration dressings, catheter insertions, and counseling patients.

CLINICAL SKILLS & PROCEDURAL COMPETENCIES

Emergency & Life Support:	Basic Life Support (BLS), CPR, adult & pediatric bag-valve-mask ventilation, endotracheal intubation assistance, acute trauma triage, shock management.
Bedside Clinical Procedures:	Peripheral IV cannulation, arterial blood gas (ABG) sampling, Foley catheterization, nasogastric (Ryle's) tube placement, lumbar puncture, paracentesis assistance.
Minor Surgery & Wound Care:	Primary wound debridement, surgical suturing (simple interrupted, mattress), incision & drainage (I&D) of abscesses, burn management, aseptic dressings.
